

WHAT NEXT?

Look the part!

The Club provides all playing equipment for our Friday night Master Blaster (aka Super Sixes) teams and Under 10+ teams. All you need to purchase for your child is a Protective Box and a set of “whites”. Our Platinum Sponsor, Keith Dudgeon Cricket Specialists can help you with these items and are offering some great specials for season kick off. Every child will also receive a Valleys training shirt and a “baggy blue” before their first game. These will be handed out by your coach or manager.

Get set to play - Season Commencement

A comprehensive event calendar has been developed which lists all of the important dates for the season. The season kicks off on Friday 11th October for our Friday night Master Blasters and the 12th of October for our other junior age groups.

In the week leading up to season commencement, there are a number of coach and manager meetings scheduled. We strongly encourage all parents to attend, not just coaches and managers. Dates and times for all important events, can be found in the season calendar.

Stay in touch

Juniors have a dedicated closed group Facebook page. Please click on the link below to send a request to join. We also will post any game cancellations to this page in the event of bad weather. Always assume that games are “on” unless you are notified otherwise on the Facebook page.

What information will I receive next?

Once registrations close on the 13th of September, the age coordinators will commence putting together teams. Draft team lists will be circulated for feedback. We try wherever possible to accommodate requests. Once teams are locked down we need volunteers to come forward for the roles of coach and manager. Lots of help and support are provided and you don't have to be the next Darren Lehmann or manage salary caps, so please give some thought to filling one of these roles, as they are crucial to the smooth running of the season.

If you have questions that are not answered in the FAQs or on this flyer, please contact your Age Coordinator.
