EMAIL: valley@qldcricket.com.au WEB: www.valleycricket.org.au

This policy should be read in conjunction with the fees schedule as published on the club website which gives the applicable fee rates.

1. All fees must be paid in full by the commencement of the September public school holidays each year. If fees are not paid, the Club has the discretion to decline to place the registered child into a team.
2. All players must be registered in MyCricket before taking the field. No players may be used as substitutes unless they are registered in MyCricket and the prior consent of the Junior Registrar and relevant age coordinator has been obtained.
3. Fees for new players commencing after the third Saturday/Friday night (as applicable) of the season will be reduced by \$15 per Saturday/Friday night missed.
4. If a player signs up for the half season prior to Christmas only and later decides to continue on and to play in the post Christmas season, that player must pay the difference between the half season and full season rate prior to playing in the post Christmas season.
5. If a player does not register for the pre- Christmas season and wishes to play in the post Christmas season only, that player must pay the standard half season fee prior to playing in the post Christmas season. A reduced rate may be applied for new players in the Super Six competition after Christmas, in the Club's discretion, based on the fact that the post Christmas season for the Super Six competition is shorter than the pre-Christmas season.
6. Refund Policy:
 - No refund will be given for any player who signs up for a full season and elects to play only half a season unless that player provides a medical certificate establishing that the player is medically unable to continue after the end of the first half season.
 - If a player registers and pays and subsequently seeks to withdraw that registration prior to the commencement of the season, a refund of the amount paid minus an administration charge of \$40 will be levied.

- If a player registers and pays and subsequently seeks to withdraw that registration after the season has commenced due to injury, and a medical certificate detailing such injury is provided, a refund will be issued for the remaining missed Saturdays/Friday nights in the season (as applicable) at the rate of \$15 per missed day of scheduled play.
- No refunds are available where a player has registered and the season has commenced and the player is not injured (ie refunds are not issued in circumstances where a player is able to play but simply no longer wishes to play).
- Any playing days missed due to weather/ground conditions will not be refunded.
